Yes, I will schedule it for Monday. Can you send a PDF of the plans?

Good morning, Jane.

The material that you requested is being messengered to you (12 copies). Based on our earlier talk, I assume that this should allow you to bring the request for a GPA initiation to the Planning Department's management committee on Monday. I will be out of the office, but Paul Garry (being copied) is very familiar with the project and proposed entitlements; so, feel free to contact him directly.

As I mentioned to you previously, you might also want to talk to Gerald Gubatan about potential "add areas."

Regards,

Joel
